

# ISTRIAN REGION, CROATIA

Engaging citizens in the  
green transition

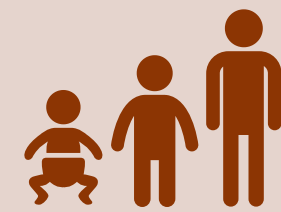

Istrian County **10** cities

The main regional  
authority

**31** municipalities

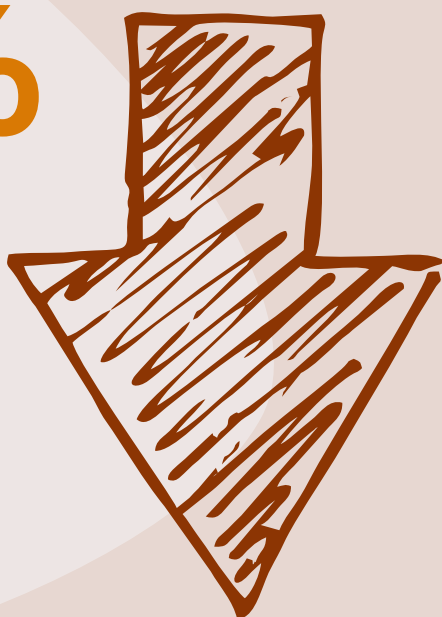

**45.8**

the average  
population age

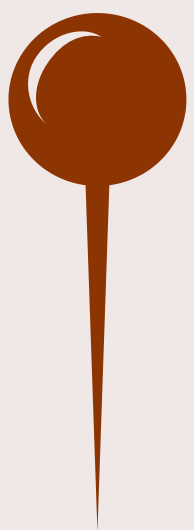

**6.19%**

population  
decrease

Istrian County is experiencing  
a negative population trend,  
mostly due to emigration.

The areas most affected by the  
transition from coal are the cities of  
**Labin** and **Pula**, the municipalities  
of **Kršan**, **Sveta Nedelja**, **Pićan** and  
**Raša**.

**25**

years ago  
the last coal  
mine closed  
down.

**850** people are indirectly employed in the coal  
sector
